## CREW (K – 5TH GRADE) ON SUNDAY

### WELCOMING

Welcome to Crew! When you arrive, please check your child into their environment and small group. **Be sure you know the name of your child's small group leader, because they want to know yours!**

### SAFE & CLEAN

Leaders help to ensure each child is cared for safely on Sundays.

**If you have special instructions that will help us lead and teach your child, please let us know!**

### PURPOSEFUL

In Crew, we walk through the entire Bible over a three year span. **As we do, we continually point kids to the person, work, and Gospel of Jesus Christ.**

### FUN

We utilize a weekly curriculum with fun, structured activities to share and teach biblical truth. Your child will experience multiple activities, worship time, and a Bible lesson on Sundays.

## MODELING

## PARENTS OF CREW KIDS

Parents - your kids can and will learn much of what it looks like to be a disciple of Jesus as they watch and hear you following Him! Some ways you can Model well: spending regular time reading the Bible, praying, actively being part of a Lifegroup, being generous, and faithfully serving the church.

## MEETING

## WHAT YOU CAN DO

Every week Lifepoint Kids provides activity pages to kids and we send you our Parent Point emails, which include discussion starters for your family. We provide these so that your family can have a regular time each week where you discuss the Bible Story from Sunday, read the key Bible passage, and pray together.

## MOMENTS

## WHAT YOU CAN SAY<sup>1</sup>

As you talk regularly with your child, here are things you might say to them:

- “Can I pray about that with you?”
- “When I first trusted Jesus.” (Share your faith story)
- “You can trust God no matter what.”
- “What do you think is the wisest choice?”
- “You should treat others the way you want to be treated”

## MILESTONES

## MILESTONE TO CELEBRATE

A great milestone worth celebrating is when a child first trusts in Jesus for salvation! This is often called a “profession of faith.” You can celebrate this milestone by doing something fun together to celebrate their new, spiritual birthday. As a next step after their profession, you and your child are invited to attend the Kids Elements Class to begin having conversations around the next milestone of going public through water baptism.
